Dear Ms. Ribeiro,

I hope this letter finds you safe and well.

I write to thank you and the United Nations Country Team in Zimbabwe for your continuous support and commitment to gender equality and empowerment of women and girls, and to the implementation of the UNCT-System Wide Action Plan for Gender Equality Scorecard (UNCT-SWAP GE Scorecard). Specifically, I commend the Zimbabwe UNCT for meeting or exceeding gender mainstreaming requirements for 11 out of 15 performance indicators.

To this end, please find attached our analysis of notable achievements by the Zimbabwe UNCT and of follow-up on key actions included in the Zimbabwe UNCT Action Plan to strengthen performance (Annex 1).

In this context, I am pleased to share with you the [Secretary-General's report on mainstreaming a gender perspective into all policies and programmes in the United Nations system \(E/2021/52\)](#), which presents an overview of system-wide accomplishments, challenges, and good practices; as well as the subsequent [resolution adopted by ECOSOC](#).

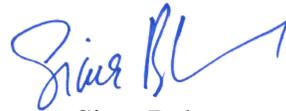

Importantly, UN Women takes this opportunity to recognize the dedicated efforts of the Interagency Assessment Team led by the RCO and UN Women in preparing the UNCT-SWAP GE Scorecard annual progress report in Zimbabwe. Their contributions were essential to ensuring the accuracy and relevance of the assessment and to updating the Action Plan.

Finally, we invite the UNCT in Zimbabwe to further implement the UNCT-SWAP through preparing and submitting its next annual progress report. The online UNCT-SWAP reporting platform will be available for the next round of annual progress reporting in mid-November. The platform is accessible via <https://unswap.unwomen.org>. Guidance on reporting can be requested from genderscorecard.helpdesk@unwomen.org.
